This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

**Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. SECTION 1. Cornelius R. Agnew, Horatio Allen, James W. Beekman, Henry W. Bellows, Francis B. Cutting, John A. Dix, Wolcott Gibbs, John C. Green, George Griswold, David Hoadley, Murray Hoffman, William J. Hoppin, Charles King, Charles H. Marshall, Willard Parker, George T. Strong, Jonathan Sturges, Otis D. ## OF OFFICERS AND THEIR DUTIES

1. The officers of The Union League Club shall be a President, twelve Vice-Presidents, a Secretary, a Treasurer, and the members of the following Standing Committees: Executive Committee, Finance Committee, Committee on Admissions, Committee on Library and Publications, Committee on Art, Committee on Political Reform, and Auditing Committee; all of whom shall be elected by the members of the Club, at the annual meetings, and shall serve until their successors shall have been elected respectively, except so far as is otherwise provided by By-Law No. 17.

**Officers and their duties**

2. The Vice-Presidents shall be divided into three classes of four each. The annual election, to be held on the 14th day of January, 1892, shall be for twelve, who shall classify themselves by lot, four of whom to hold office for two years, and four to hold office for three years; and thereafter each annual election shall be for four to hold office for three years.

**Vice-Presidents, how elected**

**Duties of President**

3. The President, or, in his absence, the Vice-President senior in order of election, and present, shall preside at all meetings of the Club. In the absence of the President and all the Vice-Presidents, a presiding officer shall be chosen, without ballot, from the members of the Club. The President shall be, *ex-officio*, a member of the Executive and other Standing Committees.

**Presiding officer in absence of President and Vice-Presidents**

**Duties of Secretary**

4. The Secretary shall keep a record of the proceedings of the Club, and of the Executive Committee and the Committee on Admissions (of which Committees he shall be, *ex-officio*, a member), and of all matters of which a record shall be deemed advisable by the Club, or by said Committees. The records of the Secretary, except those of the proceedings of the Committee on Admissions, shall at all reasonable times be open to the inspection of any member of the Club. It shall be the duty of the Secretary to notify members of their election, to keep a roll of the members of the Club, to issue notices for all meetings of the Club (with a brief mention of the business to be transacted when a special meeting is called), and to conduct the correspondence. He shall also be the keeper of the seal of the Club.

**Duties of Treasurer**

5. The Treasurer shall collect, and, under the direction of the Executive Committee, disburse the funds. He shall keep the accounts of the Club in books belonging to it, which shall

He shall turn over to the Finance Committee at the end of each year all surplus and unappropriated moneys which remain in his hands after payment in full of the disbursements and expenses of each year.

In case of the death of the Treasurer the Executive Committee may appoint a Treasurer *pro tem.* to serve until the vacancy is filled by the Club. In the event of the disability of the Treasurer from any cause, the Executive Committee may appoint a Treasurer *pro tem.* to serve during such disability or until action is taken by the Club. He shall be, *ex-officio*, a member of the Executive Committee and Committee on Admissions.

**Secretary and Treasurer to employ clerical aid**

6. The Secretary and the Treasurer shall respectively have power, with the approval of the Executive Committee, to employ, at the expense of the Club, such clerical aid as may be necessary in the discharge of their duties.

7. The general affairs of the Club shall be managed by the Executive Committee, consisting of

fifteen members. The Executive Committee shall, subject in all respects (except as to expenditures) to such instructions and limitations as may be from time to time prescribed by the Club, exercise a general superintendence over the internal affairs of the Club; shall control and manage its property; and enforce the preservation of order and obedience to its rules. All appropriations of the funds of the Club, except as provided in the 16th By-Law, and all directions for the use of the Hall or Club-rooms for other than for Club purposes, shall be made by the Executive Committee. It shall make all necessary purchases and contracts, but shall have no power to make the Club liable for any debt or debts to an amount exceeding one-half that which, at the time of contracting the same, shall be in the Treasurer's hands in cash, and not subject to prior liabilities, or which cannot, in the opinion of the Committee, be paid out of the income of the current year, and no expenditure exceeding one thousand dollars shall be made unless authorized at a meeting of the Committee by a two-thirds vote of the members present. At every annual meeting it shall report its proceedings, and may, at any time, recommend such measures as it may deem advisable. The Executive Committee shall appoint a House Committee of three members, and shall from time to time declare its duties, but such House Committee shall not incur any debt,

**Duties of Executive Committee**

**Shall make all purchases and contracts**

**Shall appoint House Committee**

or involve the Club in any expenditures of money for any purpose, other than the ordinary and usual running expenses of the house, without previous express authority from the Executive Committee, except to meet some extraordinary and imperative emergency. Whenever a Special Committee of the Club at large shall be appointed, a majority thereof shall be those not members of the Executive Committee. The Executive Committee is divided into three classes of five members each, and hereafter each annual election shall be for five members of said Committee, to hold office three years, to supply the place of the class retiring each year, and for such additional number, if any, as may be necessary to fill vacancies, to hold office during the remainder of the terms of the members whose places they fill.

**No member eligible for re-election on Executive Committee until, etc.**

No member of the Club who may have served on the Committee for three successive years shall, after the next annual election, be eligible again until at least one year after the expiration of his previous term of office.

**Meetings of Executive Committee and number constituting a quorum**

8. The Executive Committee shall meet at least once in each month for the transaction of business, and eight members thereof shall be a quorum, except during the months of June, July, August, September, and October, when five members shall constitute a quorum.

9. The Committee on Admissions shall consist of

fifteen members, and shall be divided into three classes of five members each. The annual election to be held on the 13th day of January, 1887, shall be for fifteen members, five of whom to hold office for one year, five to hold office for two years, five to hold office for three years, and thereafter each annual election shall be for five members of said Committee, to hold office for three years. The names and residences of all persons proposed for admission, with the name and signature of the member proposing them, and of the members seconding them, and date of posting, shall be first posted in a conspicuous place in the Clubhouse, at least fifteen days. They shall then be referred to the Committee on Admissions, the proceedings of which Committee thereon shall be secret and confidential, *and no member of such Committee shall be questioned as to the actions of the Committee.* It shall be the duty of the Committee to make careful examination, and to consider all communications in reference to each individual proposed; it shall pass upon each name separately; but it shall not at any time pass upon any greater number of names than there are at that time vacancies to be filled under the 31st By-Law. Two negative votes in the Committee shall prevent the recommendation of any person for membership. The Committee shall fix its own place and time of meeting. At every monthly meeting the

Committee shall report the names of such persons proposed as it recommends for admission; and the Club shall thereupon proceed to vote, by ballot, upon the names so recommended. Negative votes to the number of one-third of those cast shall exclude any person. Members shall be elected only at the regular monthly meeting, but any non-resident member may at any time be classed as a resident member by signifying his intention to that effect to the Treasurer, and paying a further admission fee of one hundred and fifty dollars, and he shall henceforth pay the full annual dues.

**Negative votes to exclude any Candidate**

**Non-resident member may be classed as a Resident member**

10. No person shall be admitted to be a member of the Club who is not at the time a citizen of the United States, having a right to vote, and who does not answer to the following requirements of the original Articles of Association of the Club:

**Candidate must be citizen of United States**

"The condition of membership shall be absolute and unqualified loyalty to the Government of the United States."

And every person elected a member shall pledge himself to do all in his power to carry out the primary objects of the Club, which are to discountenance and rebuke, by moral and social influences, and by all proper means, both in public and private, all disloyalty to the Federal Government, and to resist to the uttermost every attempt against the territorial integrity of the nation.

**Condition of Membership**

11. No candidate who shall have failed to be elected by the Club shall be again proposed for one year, except upon the recommendation of the Executive Committee, such recommendation to be posted at least two weeks prior to a monthly meeting.

**No candidate shall be again proposed for one year, except, etc.**

If any person elected shall not, within thirty days after notice of his election, left at or sent to his address, as specified by the member proposing him, signify his acceptance and pay his admission fee and annual dues, he shall be deemed to have declined to become a member.

**When candidate shall be deemed to have declined election**

12. The Committee on Library and Publications shall consist of nine members, and shall be divided into three classes of three members each. The annual election to be held on the 14th day of January, 1892, shall be for nine members, three of whom to hold office for one year, three to hold office for two years, and three to hold office for three years; and thereafter each annual election shall be for three members of said Committee to hold office for three years, to supply the place of the class retiring each year, and for such additional number, if any, as may be necessary to fill vacancies, to hold office during the remainder of the terms of the members whose places they fill. The Committee shall have charge of the Library and Reading-room, with authority to expend such sums of money upon the same as may be voted therefor by

the Executive Committee or procured by voluntary subscription.

13. The Committee on Art shall consist of seven members. It shall be the duty of the Committee to expend such sums as shall be appropriated by the Executive Committee, or obtained by voluntary subscription, for procuring works of art and relics, and to make all proper efforts to enlarge and display the collection; and to procure and display in the Club-house from time to time loan collections of works of art.

**Duties of the Committee on Art**

14. The Auditing Committee shall consist of three persons, two of whom shall be a quorum. The duty of the Auditing Committee shall be to audit and settle the accounts of the Treasurer and Finance Committee, and to present its report thereof at each annual meeting.

**Duties of Auditing Committee**

15. The Committee on Political Reform shall consist of thirteen members, and shall have general charge of all matters coming under the Fourth Article of the Association, with authority to expend such sums of money as shall be appropriated to it by the Executive Committee or obtained by voluntary subscription.

**Duties of the Committee on Political Reform**

16. The Finance Committee shall consist of five members, none of whom shall at the time of their election be members of the Executive Committee. They shall be elected by the Club by ballot at a regular meeting thereof, and only upon the nomination of

**Finance Committee shall be elected only upon the nomination of the Executive Committee**

the Executive Committee, which nomination shall be made at a regular meeting previous to that at which such election takes place.

**Vacancies occurring in Finance Committee**

The members of said Committee shall hold their offices until death, resignation, or removal for cause, and every vacancy occurring in the said Committee shall be filled by the Club, on the nomination of the Executive Committee, in the same manner and under the same restrictions as hereinbefore provided.

**Treasurer shall pay over to Finance Committee**

The Treasurer shall pay over to the said Committee at the end of each year all surplus and unappropriated moneys which remain in his hands after payment in full of the disbursements and expenses of each year.

**Funds in hands of Finance Committee shall be invested**

The moneys, the securities, and the proceeds of the securities so received by the said Finance Committee shall be invested in the securities of the United States, or of the State of New York, or in such other securities as are considered by it safe and competent investments for trust funds.

**Authority to collect and receive**

Full power and authority is conferred upon the said Finance Committee to collect and receive such income, interests, and profits, and from time to time dispose of the said securities for the purposes aforesaid, and which shall continue to be invested as a reserve fund, until the further resolution of the Club, in relation thereto, adopted on the recommendation of the Executive Committee and upon the same

notice and by the same vote which is required for an amendment of these By-Laws.

The Secretary of the Club shall be the Secretary of the Finance Committee.

17. Any officer may be removed for cause, at any meeting of the Club, upon two weeks' notice, and any vacancy in any office may be filled for the residue of the term by the Club, at any meeting thereof, except as herein otherwise provided.

**Any officer may be removed for cause**

Neglect on the part of any member of a Standing or Special Committee to attend three consecutive meetings of such Committee shall be deemed a tender of his resignation of his office, which the Committee may accept, unless an explanation of such neglect, satisfactory to the Committee, shall be given.

**Neglect of member of Standing or Special Committee to attend meetings**

Every Standing Committee, except the Finance Committee, shall have power to fill any vacancy in its membership until the next annual election, which shall be more than ten days after the vacancy occurs.

**Committees having power to fill vacancies**

OF MEETINGS

18. The annual meeting of the Club shall be held on the second Thursday of January, for the election of officers and the transaction of such other business as may come before it.

**Annual meeting of the Club**

The general meeting shall be held at eight o'clock

P.M., but the polls for the election shall be opened at half-past six o'clock P.M., and they shall remain open for three hours.

**Nominating Committee shall be chosen**

At the monthly meeting in December in each year, a Committee of seven shall be chosen by the Club at large, who shall select and post in a conspicuous place in the Club-house, at least ten days before the annual meeting, the name of a candidate for each office to be filled at the ensuing election. Any twenty-five members of the Club may propose seven names for the Nominating Committee. Such proposal shall be in writing, delivered to the Secretary, and posted at least twenty days before the December meeting. No member shall unite in the proposal of more than seven names for such Committee. At least ten days before the December meeting, the Secretary shall mail to each member of the Club a printed list of all the names so proposed. At the December meeting the Club shall elect such Committee by ballot. Each member present may vote by ballot for not exceeding seven persons on such list by erasing the names of the others, if any, with ink or pencil, and depositing the list as a ballot for the names not marked. The seven members upon such list receiving the highest number of votes shall be the Nominating Committee. At the same meeting six inspectors and canvassers of the ensuing election shall be elected in such manner as shall then be determined, any three of whom shall be a quorum, and if

**Nominating Committee, how elected**

vacancies shall occur, they may be filled at or before the election by the Executive Committee.

**Cushing's Manual shall govern meetings of Club**

The rules and orders of Cushing's Manual shall govern the meetings of the Club, so far as they are applicable and not inconsistent with these By-Laws.

One hundred members shall be a quorum at all meetings of the Club.

**Monthly meetings of Club**

19. There shall be a monthly meeting for the election of members and the transaction of business on the second Thursday of every month, except July and August, at 8 P.M.

**Special meetings may be called**

20. Special meetings of the Club may be called at any time by order of the President, with the approval of three members of the Executive Committee, and shall be called by the Secretary whenever the President or any Vice-President shall be thereunto requested in writing by twenty-five members, setting forth the purpose of such meeting. At any such special meeting no business, other than that specified in the call, shall be considered, except by unanimous consent.

21. At the meetings of the Club the order of business, so far as the character and the nature of the meetings may admit, shall be as follows:

1. Reading the minutes of the last meeting.
2. Election of new members.
3. Reports of Standing Committees.
4. Reports of Special Committees.
5. General business.

But this order of business may be changed by a majority of the meeting.

All Special Committees for any purpose shall be appointed by the presiding officer, unless otherwise ordered.

**Action on resolution when objected to**

Whenever any resolution or action shall be proposed or pending in the Club, which calls for the expression of its opinion touching any public matter, if the same be objected to by any member, and such objection be seconded, it shall at once be the duty of the presiding officer to state the objection, and to call upon those who sustain the same to rise; and if twenty-five members shall rise in support of such objection, then such resolution, and subject of the proposed action, shall be referred to a Standing or Special Committee, who shall report thereon at the next meeting of the Club. And upon the coming in of such report, the same, and the resolutions, and the subject referred to, shall be deemed before the Club for discussion and action thereon, without further right of such objection.

**Member not permitted to speak more than once on same subject**

No member shall be permitted to speak more than once on the same subject, nor more than ten minutes at one time, without the unanimous consent of the Club.

**Persons not members cannot attend**

22. No person, not a member of the Club, shall be present at any meeting thereof, unless he shall be specially invited by the President or the House Committee.

23. All elections, except as otherwise provided, shall be by ballot, and a majority of votes cast shall be sufficient, except for the election of new members. The Secretary shall furnish to the inspectors of elections, prior to the annual meeting, an alphabetical list of all members entitled to vote for officers at the ensuing election. The Secretary shall see that all By-Laws regulating the elections of the Club are published at least once, as required by statute, and the inspectors of the election shall, before acting, take the oath also required by statute.

**Secretary's duties at annual election**

24. Proxies shall not be permitted.

OF MEMBERS

25. No member shall receive any salary, emolument, or profit from the funds of the Club, unless the same be especially appropriated by the Club and the Executive Committee.

**No member shall receive any salary**

26. No member shall give any money or gratuity to a servant of the Club.

27. All resignations shall be made, in writing, to the Executive Committee; but if made after the second Thursday of January, such resignation shall not discharge the member presenting it from his dues for the current year. All interest in the property of the Club, of members resigning, or otherwise ceasing to be members, shall be vested in the Club.

28. If the conduct of a member shall appear to the Executive Committee to be disorderly, ungentlemanly, in violation of the rules, prejudicial to the interests or character of the Club, or contrary to its Charter or By-Laws; or if by his acts or conversation he shall seem to the Committee to manifest a spirit of disloyalty to the Government of the United States, the Committee shall formulate the charge or charges against him, specifying the act or acts and the substance of the words upon which each charge is founded, and shall serve him with a copy thereof and a notice of the time and place at which the Committee will meet to consider the same, by mailing the same to him at his latest address as it appears on the books of the Club. At such meeting the member under charges shall have a right to be present and to examine and cross-examine witnesses, within such limits as may be determined by the Committee, and the Committee shall proceed to take such proof as may be offered; and if it be of the opinion that the charges made, or any of them, are sustained, and the nature of the offence in its opinion requires it, may suspend him from the privileges of the Club for a period not exceeding six months, or request him to resign.

**Power of the Executive Committee if conduct of a member appear in violation of the rules**

29. Should such request be disregarded, the Executive Committee shall refer the matter to the next stated meeting of the Club, or to a special meeting thereof, of which

**Should request to resign be disregarded**

reference not less than two weeks' written notice shall be given to the offending member.

30. At such meeting the nature of the offence shall be considered, and the member complained of may be censured or expelled by a vote of a majority of the members present. A vote involving censure or expulsion shall be decided by ballot.

**Vote to censure or expel shall be by ballot**

31. The total membership of the Club, liable for annual dues, shall not exceed eighteen hundred.

**Total membership 1800**

The admission fee of members elected hereafter shall be three hundred dollars. The annual dues of resident members shall be seventy-five dollars, and the annual dues of non-resident members shall be forty-five dollars, payable in advance, on the second Thursday of January, at which time the fiscal year shall commence. If not paid within thirty days thereafter, the name of the delinquent shall be posted by the Treasurer in a conspicuous place in the Club-house; and should he neglect payment, without good cause, until the first day of March, he shall thereupon cease to be a member. *Provided*, That upon his written application, and the payment of all dues to the date thereof, the Executive Committee may, upon such terms as it may deem proper, remit the penalty of this By-Law; of all which the Secretary shall make a minute. *And provided further*, That, in case notice in writing shall be given to the Secretary,

**Admission fee and annual dues of members**

**Annual dues not paid March 1st**

before the first day of March, of the illness, or absence from the city of New York, of a resident member, the penalty of this By-Law shall not apply during the time of the illness or absence of such member. No member, while classed as a non-resident, shall be entitled to vote.

32. Any member who has paid an admission fee and the annual dues for one year, and who may be absent from the city of New York in a foreign country for a continuous period of a year, shall be exempted from the payment of the annual dues for the period of his absence, if he shall give previous written notice to the Treasurer of his intention so to be absent.

**When member may be exempt from annual dues**

33. After the 1st day of October, 1882, no person shall be elected as a non-resident member.

Officers of the Army and Navy, and Clergymen, shall pay an admission fee of one hundred and fifty dollars, and thirty dollars annual dues.

Whenever any non-resident shall become a resident of any place within fifty miles of the city of New York, he shall thenceforth be classed as a resident member, shall be entitled to vote, and be liable for full dues and the payment of another admission fee of one hundred and fifty dollars. *Provided however*, That member selected before the 13th day of October, 1881, and on that day residing without the city of New York, as constituted prior to the first day of January, 1898, and within the limits above specified, shall not, by reason of

**When non-resident must qualify as a resident member**

continuing such residence, be deemed resident members.

Officers of the Army and Navy may, on giving notice to the Treasurer, be discharged from liability from dues when absent from the city for one or more years on official service, and in the event of such officer of the Army or Navy visiting New York *under orders*, he shall not be liable for the payment of dues by reason thereof.

**Officers of Army and Navy, when exempt from annual dues**

34. Persons who shall be elected members of the Club after six months of any fiscal year shall have expired, shall pay only half the amount of dues for that fiscal year otherwise required.

35. The Club may, at any regular meeting, elect honorary members, who shall be nominated by the Executive Committee. Such honorary members shall have all the privileges of the Club except voting at meetings and being eligible for office.

**Election of honorary members**

36. Any member may personally introduce non-residents to the rooms of the Club for one day, their names, and that of the member introducing them, and the date of such introduction, having been first entered in a book to be kept for that purpose.

**Introduction of strangers**

The Executive Committee may make regulations as to the extension of the privileges of the Club to non-resident strangers.

No resident of the city of New York, not a member of the Club, shall be admitted to the Club-house, except to the reception-room, private dining-rooms, and Art Gallery, without the consent of the House Committee first obtained.

37. The Executive Committee may give a written invitation to any stranger, which shall entitle him to visit the Club-house for one month, or such longer period as the Committee may deem proper.

**Executive Committee may invite**

38. No person, except a non-resident foreigner, shall be admitted into the Club-house, who does not give his unwavering support to the Government; and if any person disloyal to the Government of the United States be knowingly introduced to the Club-house by a member of the Club, such member shall be expelled for the offence.

Whenever such proposed amendment shall be so posted, it must be signed by not less than ten members of the Club, and the Secretary shall mail to each member with the regular notice of the meeting, a printed copy of the existing By-Law, and of the amendment proposed.

**Secretary to mail copy of proposed amendment**

46. The Executive Committee shall have power to make such other regulations, not inconsistent with the Charter, or these By-Laws, as may be deemed necessary for the protection of the property of the Club, the management of the Club-house, and the preservation of good order.

**Resolution censuring or instructing any Committee to be posted and copy sent**

47. No resolution, which, in effect, censures or instructs any of the Committees of the Club, shall be considered except on notice.
